Subject: Appointment of Healthy Relations Team Members

11 May 2017

Dear Board Members,

As a member of the Right Relations Process Task Force, Jennifer Rhodes asked if she may form and chair a task force to vet and select potential candidates for membership on the Healthy Relations Team (created within the Healthy Congregations Policy, Section III). Permission was granted and she chose Deena Culp and Betty Chamlee Miller to populate the Selection Task Force.

The Selection Task Force asks that the five consenting candidates chosen to create the first Healthy Relations Team be approved for appointment by the UUFB Board. Their names are (alphabetically):

David Grim

Carole Gunter

Marilynn Koerber

Jan Spencer

Bill Tremittierre

Respectfully submitted by,

Jennifer Rhodes,

Chair, HR Team Selection Task Force
